OBJECTIVE

Enthusiastic and results-driven Full Stack MERN Developer with a strong foundation in front-end and back-end technologies, including HTML, CSS, JavaScript, React.js, Node.js, Express.js, MongoDB, and Tailwind CSS. Passionate about building scalable systems and creating visually appealing, user-friendly interfaces that enhance user experience. Skilled at collaborating in team environments, adapting to new technologies, and eager to contribute to impactful projects while continuously advancing technical expertise in the fast-evolving field of software development.

EDUCATION

- **Pimpri Chinchwad University, Pune** 2024-26
Master of Computer Application / CGPA: 8.03
- **Pratibha College of Computer Science, Pune** 2023
Bachelor of Computer Application / CGPA: 8.28

SKILLS

- **Programming Languages:** JavaScript, Java, Python
- **Frontend:** HTML5, CSS3, Tailwind CSS, React.js
- **Backend:** Express.js, Node.js
- **Database:** MySQL, MongoDB
- **Tools:** VS Code IDE, Postman, Git/GitHub

PROJECTS

- **CINEMATIC Movie Website GitHub:** Movie web application where users can explore movies, get personalized movie, and create watchlists. The system uses user preferences and movie ratings to recommend films. It also includes social features for sharing reviews and discovering what friends are watching. Developed user-friendly and responsive interfaces.
Technologies & Tools: React.js, Node.js, Express.js, MongoDB, Tailwind, Postman.
- **Online Book Store:** Designed and developed a scalable e-commerce bookstore platform with React.js, Node.js, Express.js, and MongoDB. Enhanced user experience with secure authentication, shopping cart, wishlist, and order tracking features. Built an intuitive Admin Dashboard for inventory and sales management, and integrated an online payment system (Razorpay) to enable smooth transactions.
Technologies & Tools: React.js, Node.js, Express.js, MongoDB, Tailwind, Postman.

ACHIEVEMENTS

- Coordinated placement drives and training workshops as Placement Coordinator, leading a team of student volunteers and boosting student preparedness for campus recruitment.

STRENGTHS

- Problem-Solving Mindset
- Adaptability & Learning Agility
- Effective Communication
